08 A New Level

1. Verse
Now a new look in my eyes
My spirit rise
Forget the past
Present tense works and lasts
Got shit on, pissed on
Spit on, stepped on
Fucked with
Pointed at by lesser men

Pre-Chorus
New life
In place of old life
Unscarred by trials

Chorus
A new level of confidence and power

2. Verse
Demanding plea for unity between us all
United stand
Death before divided fall
In mock military order
Vulgar
Power
Impatient
Because time is shorter

Pre-Chorus
New life
In place of old life
Unscarred by trials

Chorus
A new level of confidence and power

Solo

Intermezzo
No fucking surrender
Can't lose
Life kills

Chorus
A new level of confidence and power
A new level of confidence and power
