07  **Crosstown Traffic**

1. **Verse**
   You jump in front of my car when you
   You know all the time that
   Ninty miles an hour, girl, is the speed I drive
   You tell me it's alright, you don't mind a little pain
   You say you just want me to take you for a ride

   **Chorus**
   You're just like crosstown traffic
   So hard to get through to you
   Crosstown traffic
   I don't need to run over you
   Crosstown traffic
   All you do is slow me down
   And I'm tryin' to get on the other side of town

2. **Verse**
   I'm not the only soul who's accused of hit and run
   Tire tracks all across your back
   I can hey, I can see you had your fun
   But darlin' can't you see my signals turn from green to red
   And with you I can see a traffic jam straight up ahead

   **Chorus**
   You're just like crosstown traffic
   So hard to get through to you
   Crosstown traffic
   I don't need to run over you
   Crosstown traffic
   All you do is slow me down
   And I got better things on the other side of town

   **Solo**
   Do, do, do, do, do

   **Chorus**
   Crosstown traffic
   Look out, look out baby, coming through
   Crosstown traffic
   Yeah!
   Crosstown traffic
   Yeah, look out, look out, look out, baby
   Crosstown traffic
   What's that in the street?
   Crosstown traffic
