08 Little Wing

1. Verse
Well she's walking through the clouds
With a circus mind that's running wild
Butterflies and zebras and moonbeams and fairy tales
That's all she ever thinks about
Riding with the wind

2. Verse
When I'm sad, she comes to me
With a thousand smiles, she gives to me free
It's alright, she says, it's alright
Take anything you want from me, anything
Anything

Solo
Fly on little wing

Outro
Yeah yeah, yeah, yeah, little baby
