01 SMELLS LIKE TEEN SPIRIT

1. Verse
Load up on guns and bring your friends
It's fun to lose and to pretend
She's overbored and self-assured
Oh no, I know a dirty word

Pre-Chorus (2x)
Hello, hello, hello, how low?
Hello, hello, hello, how low?

Chorus
With the lights out, it's less dangerous
Here we are now, entertain us
I feel stupid and contagious
Here we are now, entertain us
A mullato, an albino
A mosquito, my libido

Bridge
Yay, yay, yay

2. Verse
I'm worse at what I do best
And for this gift I feel blessed
Our little group has always been
And always will until the end

Pre-Chorus (2x)
Hello, hello, hello, how low?
Hello, hello, hello, how low?

Chorus
With the lights out, it's less dangerous
Here we are now, entertain us
I feel stupid and contagious
Here we are now, entertain us
A mullato, an albino
A mosquito, my libido

Bridge
Yay, yay, yay

Solo

3. Verse
And I forget just why I taste
Oh yeah, I guess it makes me smile
I found it hard, it’s hard to find
Oh well, whatever, never mind

Pre-Chorus
Hello, hello, hello, how low?
Hello, hello, hello, how low?

Chorus
With the lights out, it's less dangerous
Here we are now, entertain us
I feel stupid and contagious
Here we are now, entertain us
A mullato, an albino
A mosquito, my libido
A denial, a denial
A denial, a denial
A denial, a denial
A denial, a denial
A denial!
