The Four Horsemen

1. Verse
By the last breath the fourth winds blow
Better raise your ears
The sound of hooves knock at your door
Lock up your wife and children now
It's time to wield the blade
For now you've got some company

Chorus
Horsemen are drawing nearer
On leather steeds they ride
They've come to take your life
On through the dead of night
With the Four Horsemen ride
Or choose your fate and die

2. Verse
You have been dying since the day you were born
You know it's all been planned
The quartet of deliverance rides
A sinner once, a sinner twice
No need for confessions now
'Cause now you've got the fight of your life

Chorus
Horsemen are drawing nearer
On leather steeds they ride
They've come to take your life
On through the dead of night
With the Four Horsemen ride
Or choose your fate and die

Bridge
Time has taken its toll on you
The lines that crack your face
Famine, your body it has torn through
Withered in every place
Pestilence, for what you had to endure
And what you have put others through
Death, deliverance for you for sure
Now there's nothing you can do
