## Domination

### 1. Verse

Agony is the price that you'll pay in the end  
Domination consumes you then calls you a friend  
It's a twisted fall

Binds are like steel and manipulates the will to be  
And it's hard to see  
How soon we forget when there's nothing else left to destroy  
It's a useless ploy

### Pre-Chorus

Your eyes will see the dawn of the day  
And the writing on the wall  
Those words that stare into your soul  
And to yourself you will befall

### Chorus

It's domination  
Pushed into living hell  
Domination  
Yeah

### 2. Verse

A now blacked heart is reaching out in divinity  
Body suspended by chains over razors and nails  
It's a penalty

Each razor a vice and each nail marks the demise of your life  
Grim construction grows  
Has life played a trick sealed you in brick by brick till your end  
Forcing you to bend

### Pre-Chorus

Your eyes will see the dawn of the day  
And the writing on the wall  
Those words that stare into your soul  
And to yourself you will befall

### Chorus

It's domination  
Pushed into living hell  
Oh, domination  
Ha, ha, ha
