

1. Verse No mercy for what we're doing
No thought to even what we have done
We don't need to feel the sorrow
No remorse for the helpless one

Pre-Chorus War without end

Chorus No remorse, no repent
We don't care what it meant
Another day, another death
Another sorrow, another breath
No remorse, no repent
We don't care what it meant
Another day, another death
Another sorrow, another breath

2. Verse Blood feeds the war machine
As it eats a way across the land
We don't need to feel the sorrow
No remorse is the one command

Pre-Chorus War without end

Chorus No remorse, no repent
We don't care what it meant
Another day, another death
Another sorrow, another breath
No remorse, no repent
We don't care what it meant
Another day, another death
Another sorrow, another breath

3. Verse Only the strong survive
No will to save the weaker race
We are ready to kill all comers
Like a loaded gun right at your face

Pre-Chorus War without end

Chorus No remorse, no repent
We don't care what it meant
Another day, another death
Another sorrow, another breath
No remorse, no repent
We don't care what it meant
Another day, another death
Another sorrow, another breath

Drum Solo Attack!

Outro Bullets are flying
People are dying
With madness surrounding,
All hell's breaking loose
Soldiers are hounding
Bodies are mounting
Cannons are shouting to take their abuse

With war machines going
Blood starts to flowing
No mercy given to anyone here
The furious fighting
Swords are like lightning
It all becomes frightening
You know death is near

End No remorse
