Every Rose Has Its Thorn

Just like every cowboy sings his sad...

Though it's been a while now, I can still feel so much pain...

Like the knife that cuts you, the wound heals. But the scar, that scar remains.

I know I could have saved our love that night if I'd known what to say.
Instead of making love we both made our separate ways.
And I hear you've found somebody new, and that I never meant that much to you.
To hear that tears me up inside, and to see you cuts me like a knife.
